

# Intek Batch (Connectionless) Steamer

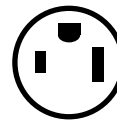

## Ordering Information

**To determine which model number to order, you will need to ask your electrician 3 questions.**

1. What voltage do we have in the building? *208v, 240v or 480v*
2. What phase electricity do we have? *1 phase or 3 phase*
3. How many amps do we have available? *30a or 50a*
